## Education

### SOFTWARE DEVELOPER .NET

sep 2019 - jun 2021 | Newton Yrkeshögskola

This focused education takes place in close collaboration with the industry and includes 24 weeks of internship, divided into two periods. Here is a selection of the courses that I am taking:

- Object Oriented Programming 1 / 2
- Web Development
- Database Technologies
- Agil Software Development
- Testing
- Entrepreneurship

### Digital Media

aug 2014 - jun 2017 | University West

After three years of studies at University West I got my Bachelor of Arts in Informatics by completing courses like:

- Digital Graphics
- Web and Interaction Design
- Design Theory
- User-oriented Design Methodology

## Work Experience

### SOFTWARE DEVELOPER (internship)

sep 2020 - dec 2020 | Plejd

During this 12 week internship I got to be part of a team that built a data visualisation tool from the ground up. My main focus and responsibility was creating a well designed and user friendly front-end. Technologies used was Blazor / C# / html / css.

### Serviceman

oct 2018 - aug 2019 | Berendsen

As a serviceman at Berendsen my task was to deliver doormats to customers. This was a physical job at its core, but it also required a good servicemind when meeting with customers.
